SUBJECT:— Repairs to the Sri Ramanathaswami temple Kankanhalli

LAST REFERENCE.

Letter No. 1091 dated 8th April 96 form the Dy Comr, Bangalore.

The estimate for Rs 3340 for repairing this temple was sanctioned in Govt Rc: No: 2388-9 dated 9th Sept 1896. On account of this amount, the devadees of the Temple contributed Rs 2086-14-6, and the balance, viz, Rs 1271-1-6 was allotted from the State grant of 1896-

96

2. In his letter No. 815 dated 31st Jan 4 last, the Dy. Comr reported that the devotees to whom the work had been given on contract, as directed in the Pro: quoted above, have repaired the temple at a total cost of Rs 7143-10-0. This sum includes the State grant of Rs 1271-1-6 sanctioned for the repairs of the temple.

3. As this State grant was not drawn during the year of sanction, it has lapsed. The Dy. Comr was asked why the amount was not drawn in time, and he was also informed that in the absence of satisfactory explanation

5 years.

3. explanation for the unusually long delay in the submission of the completion bill, the amount there of cannot be sanctioned from this year's State Grant.

*) Dy Com's Letter No. 10917 dt. 4.6.08

4. By way of explanation, the Dy Com* states that the devotees, who repaired the temple, spent first the contributions collected for the purpose, that the necessary workmen had to be procured from Bangalore and that as Plague was prevailing at Bangalore it took three or four years to complete the repairs of the temple. As the cost of the

work executed far
exceeds the amount
sanctioned therefor,
the Dy Comr requests
that the Govt will
be pleased to sanction
the bill now submitted
by him

There is a sum
of about Rs 5000
still remaining
out of the State Grant
of the current official Year.

The Completion by the Dy Comr bill submitted for the repairs executed to the temple was returned with the observation that the necessity for paying the amount of the above bill out of the State grant was not clear seeing that the devotees had repaired the temple at a cost of Rs 7143-10-0 and that they had paid the whole amount out of the contributions made by themselves for the purpose. It was also pointed out that payment from the State grant could only be made when there is actual and real need for it, but that the

in the present case, the devotees were able to meet the entire cost themselves, the Dy Comr. was asked to explain the necessity to indent upon the State grant.

In reply, the Dy Commissioner states* that the devotees who undertook the work on contract, bore the cost of the excess work in their capacity as Contractors and that in their capacity as devotees of the temple, as promised they contributed some money towards its repairs, and that as the Contractors have spent a large amount for the work in anticipation

Note Continued. — 8

As directed by the Dewan on the preceding page, I inspected the temple in person on the 7th instant at Kankanhalli. It is the only temple of importance in the town. A wealthy Patel named Gowrikar Thimmappa has taken much interest in the temple and has had extensive repairs done to it from his own funds and from Contributions collected from devotees through his influence. The whole temple has been made quite new, and has undoubtedly cost Rs. 7000/- while the estimate Sanctioned by Government in 1896 was only Rs. 3340. Under these circumstances, the Contribution of Rs. 1271-1-6 promised by Govt in Pro: No. 388-9 dated 9th September 1896, may, it is submitted, be paid from the State Grant of this year.

A draft order is put up. As it I have, as an encouragement, added a few words conveying the Govt's appreciation of Gowrikar Thimmappa's work.

Submitted to the Dewan through the 2- Councillor.

Memo

As directed by the Muzrai Superintendant I proceeded to Kankanhalli and inspected the temple of Sree Ranganatha Swami on the 4th August 1896.

The temple is in a very dilapidated condition, portions of the walls of the main building having cracked probably owing to the settlement of the foundations The whole building is leaky and the small goparum of the Moola-Devaru is in a dangerous state of disrepair. The compound wall has tumbled down.

2 I have revised the estimate received from the Dy. Comr Bangalore District with reference to the urgent needs of the Institution

All the items of repairs noted in the above estimate are necessary, except the flooring of the Prakaram with stone slabs, for which a sum of Rs 1353 has been provided. The present flooring is of concrete and it is in fairly good condition and need not therefore be disturbed.

The rates provided for the other items of repairs are excessive and may be reduced.

A revised estimate for Rs 3340 is accordingly submitted for orders.

Sir,

With reference to your Docket No: 1638 / Muz. 734-02 dated 14th February 1903, returning a completion bill for Rs 1271-1-6 for the repairs done to Sri Ranganathaswami temple at Kankanhalli, I have the honor to state that this amount was not drawn and credited to the temple funds, as the Government order No: 2098-17 / Muz: F. 105-92 dated 7th June 1902, directing that the amount be drawn and credited to the funds of the

stitution

Institution was received only last year. Also demand for the money was not made in the same year, as the work was given on contract to the devotees of the temple who paid the amount from the contributions collected for the purpose. As the work executed to the temple far exceeds the amount sanctioned, i,e; by Rs 4,803-10-0 and thus assumed large dimensions, all the necessary workmen have had to be procured from Bangalore. There was plague in Bangalore during the last 3 or 4 years. Under the above circumstances, the delay in pushing on the work was unavoidable and I therefore request that Government may be pleased to sanction the amount of the bill, herewith, submitted from the current year's budjet and forward it on to the Comptroller for audit.

His letter No. ~~1030~~ dated 10th April 1903 regarding the repairs executed to the Sri Ranganatheswami temple at Kankan-halli.

I am directed to state that from his letter under reply it is observed that the devotees of the temple have spent Rs 7140 for repairing it and that the repairs have been completed

From the Dy Comr's letter it is observed that the entire work to the extent of Rs 7143-10-0 was carried out by the devotees, the Muzrai Department having had nothing to do with the whole charge

MGCPB—2,000—7-6-02

and that there is no further work to be carried out. As such it is not understood to whom the completion bill for Rs 1271-1-6 is to be paid. The necessity for re-sanctioning the State grant is not explained in the letter under reference.

Contributions collected from them. If such is the case & even if all payments to workmen and others have been made, it is not clear why any payment from the State Grant is necessary at this stage - The object why the Municipality sanctioned a sum of Rs 1271-1-6 in their proceedings of 1896, was to supplement the contributions of Rs 2068-14-6 reported to have been paid by the devotees up to that date - But as the devotees themselves appear to have been ~~since~~ ~~were~~ able to meet the entire cost themselves

themselves, it is presumed that there is no necessity to insist upon the State grant.

The Completion bill is accordingly noted for reference & report with full information on the points noted above

Sir,

In resubmitting herewith, the bill for Rs 1,271-1-6, received with your docket No. 2295/34-1902 dated the 22nd May 1903, for the work executed to the Sri Ranganathaswami temple at Kon Konkolli, I have the honor to state that the devotees who have taken the contract, have borne the cost of the wood work. Their Capacity as Contractors is different from that of their Capacity as devotees as which they contributed some amount, as at first promised and note, that Contribution has been spent

in addition to the State Grant. As these men advanced some amount in anticipation of being reimbursed as Contractors, the Government Grant still remaining unutilized viz, Rs 1271/1/6 has now to be paid to them.

I therefore request that Government may be pleased to sanction the amount of the bill.
